The Honorable Robert B. Anderson *carol*
 Secretary of the Treasury
 Washington 25, D. C.

Dear Bob:

I appreciate the interest in our Agency's Payroll Savings Program shown by your letter of 19 August 1960. I am pleased to report that we have made a real effort this year to encourage more of our employees to participate in this excellent Program with the following results:

Rate of employee participation has increased by five per cent during 1960.

The previous year-long steady decrease in the number of bond buyers has been reversed, and 226 more employees bought bonds in August than in April.

CIA employees are now saving through payroll deductions at the rate of \$82,333 per month.

Since 1 July 1956 our employees have bought at least \$1,213,000 worth of bonds (maturity value) every year for a four-year total of more than \$5,000,000.

During the first quarter of 1960 our payroll savers bought an average of \$231 in bonds or more than 2-1/2 times the Government-wide average purchase of \$91.

Although these results cannot be publicized, I believe they speak for themselves in demonstrating the enthusiasm with which the 1960 Savings Bond Campaign was conducted in this Agency.
